P75 522																														**P75 522**	
P77																														**P77**	
P86																														**P86**	
PIO-1																														**PIO-1**	
POOL																														**POOL**	
R4330																														**R4330**	
R4332																														**R4332**	
R4333																														**R4333**	
R87																														**R87**	
Relief																														**Relief**	
S4310																														**S4310**	
SQ87					**X**																									**SQ87**	Replaced head light low/high beam.
T-4327																														**T-4327**	
T-4328																														**T-4328**	
U-10																														**U-10**	
U-17																														**U-17**	
U-18																														**U-18**	
U-19																														**U-19**	
U4348																														**U4348**	
U-30																														**U-30**	
WT72																														**WT72**	

WT82																															**WT82**	
WT83																															**WT83**	
WT86																															**WT86**	
WT90																															**WT90**	
WT93																			**X**												**WT93**	R&R wires in relay between pump shifter and transmission solenoids.
WT96																										**X**					**WT96**	R&R wet tank and drain valve.

"B" SERVICE=CHECK FLUID LEVELS, LUBE, OIL, FILTER **L.O.F.=LUBE, OIL, FILTER/ B/U=BACK UP ALARM**
