Subject: Resolution 2024-04, Appropriation of Community Facilities District 2010-01, Zone 1, Special Tax A - Facilities restricted funds to the construction of the new Fire Station 72 in Friant.

BOARD OF DIRECTOR'S BRIEFING PAPER

ISSUE:

The Budget Committee has identified restricted funds that they would like to appropriate for the construction of the new Fire Station 72 in Friant.

BACKGROUND:

The Community Facilities District 2010-01 Zone 1, Special Tax A – Facilities was established to partially fund the fire protection facilities in the unincorporated area of Friant. The most recent annual independent auditors' reports indicated that the fund had a balance of \$291,473.

DISCUSSION:

The District is in the process of constructing the new Fire Station 72 in the unincorporated area of Friant. The Budget Committee discussed various options to fund the construction of the new fire station while maintaining a balanced budget. The Budget Committee determined that they would like to utilize all the available funds in the Community Facilities District 2010-01 Zone 1, Special Tax A - Facilities restricted account to fund a portion of the construction costs. The

remaining amount needed to construct the new fire station will come from other restricted funds as well as unassigned funds.

ALTERNATIVES:

1. The District could decide to not use the funds from Community Facilities District 2010-01 Zone 1, Special Tax A - Facilities and would need to look at other options to balance the budget.
